

Parking at the Trade Fair Centre

Our trade fair location offers space for 2,380 cars in our car parks P1 and P2. Of these, 40 parking spaces are designated as disabled parking spaces. The maximum entrance height on P1 and P2 is 2.10 m.

For selected events, visitors can also use car park P3 for a further 4,000 parking spaces.

The VIP car park is located right in front of the main entrance and offers 280 parking spaces for our VIPs and representatives of the press.

For larger events our visitors can use the parking lot at Lake Eppelsee for a fee. In such cases, a shuttle bus to the Trade Fair Centre is provided free of charge.

The daily flat rate for car parks P1 – P3 is 6,- Euro at end consumer fairs (e. g. offerta, INVENTA, TIERisch gut) and 8,- Euro at trade fairs (e. g. NUFAM, LEARNTEC, IT-TRANS).

For electric cars, four charging stations are available on P1 (type 2 connector up to 22 kW) free of charge.
